On January 3, 2006, the Lake Eunice Township Board called the monthly meeting to order at 7:00pm. All board members were present. The minutes from December as well as the treasurer's report were approved as written by a motion from L Kohler, 2nd by J Maki and it carried.

New Business: Several residents of Pearl Lake were present with concerns on the condition of the two roads. Hendricks will go out with his blade to clear the roads and Renner will do additional sanding. The purchase of a new plow will be brought up at the annual meeting so that we don't have a problem with roads in the future.

Mark Jacobson of N Pearl Lake Rd stated the condition of his road was poor and it looks like more clay is needed to keep the road in good shape after blading. This will be looked at in the spring.

Dale Moore of Pearl Lake Dr asked if the roads will be painted with lines. This is not done by the township, but it can be brought up at the annual meeting if people are interested in budgeting for it.

A motion was made by L Kohler 2nd by J Maki to adjourn at 8:40 pm and it carried.
