The Lake Eunice Township board held their monthly meeting at the town hall on October 2, 2007 at 7:05pm. All board members were present. The minutes from September were approved as written by a motion from M Reep, 2nd by L Kohler and it carried. The treasurer's report was approved by a motion from L Kohler, 2nd by M Reep and it carried.

Jim & Kathy Runger were present from N Pearl Lk Rd in regards to the 3-way stop. He spoke to the sheriff and they have limited manpower so he suggested speed bumps. He would like the township to bring the issue to the County Commissioners to see if they can remedy this situation. They are also having a problem with barking dogs and would like something done. He is suggesting we bring this to the commissioners also. M Reep will talk to the sheriff about following through with this. He also brought questions on requirements for a petition to pave N Pearl Lk Rd and Peterson Circle. He will start the initial process of getting a bid on the project and completing a petition with the residents. Norma Lemke and Sheila Baitey were also present from this road.

George Wynn present with a plat for Blackhawk Country Estates on the corner of Blackhawk Rd and County 6. The plat needs to include the frontage road that the driveways will access and where that road will access Blackhawk Rd. We will also need a copy of the declarations once they are completed.

Pat Kenney was present regarding the dispute on Blackhawk Rd. In July 1960, a road order was adopted by the township vacating a portion of the old road and creating the existing road. The public road that they want vacated cannot be because it would land lock the last few lots. He presented some visual aids showing these roads in question. This is not a dispute that involves the township. The section that they want vacated is a public road and not a private driveway.

A motion was made by L Kohler to adjourn at 9:00 pm, 2nd by M Reep and it carried.
